EDUCATION

2020 **Bachelor of Fine Arts**
University of Alabama at Birmingham

EXPERIENCE

2016 - Present **Student Assistant - Web Development**
UAB Department of Information Technology
Maintained website content, tracked website analytics,
as well as created mockups and developed new web pages.
Also spearheaded a web refresh project that involved UX
research, site mapping, and content migration.

2015 - 2016 **Print Technician**
Office Max | Office Depot
Worked with clients to design and print a variety of products,
overseeing print orders and job progress, printing, cutting,
laminating, and binding products. Was also responsible for
maintaining printing equipment and tracking supplies.

2013 - 2015 **Silkscreen Printmaker**
Designs on You
Developed and reclaimed screens before and after production,
aligned and calibrated the printing press, as well as made
prints on fabric and paper.

AWARDS & EXHIBITIONS

2018 **Putnam Birds & Trees Exhibition**
Collaboration with Putnam Middle School, Desert Island
Supply Co, and the Birmingham Audubon Society to produce
a mobile app encouraging students to learn about nature and
express their creativity through poetry.

2017 **SIGGUS Communication Award**
Best in show // UABIT Annual Report
